

# Dagger In My Heart

GG Allin

Dagger in my heart  
All you boys and girls  
All you sluts and whores  
You're a dagger in my heart

I had you near  
And I had you far  
But the one I can't get now  
She's a dagger in my heart

Thinking of you, thinking of you  
Thinking of you is a dagger in my heart  
Thinking of you, thinking of you  
Thinking of you is a dagger in my heart

I'll bleed you 'til you're dry  
And I'll tear your world apart  
But the one that's under me  
She's the one that's torn apart

Yeah the one that's under me  
She's the one that's ripped apart  
But the girl on page nineteen  
She's the dagger in my heart

Thinking of you, thinking of you  
Thinking of you is a dagger in my heart  
Thinking of you, thinking of you  
Thinking of you is a dagger in my heart

My hand says I love you  
Through my prick  
My hand says I'll fuck you  
But you'll never suck my dick

You think you know the story  
No one will hold my thought  
But the girl in the magazine  
She's a dagger in my heart

Thinking of you, thinking of you  
Thinking of you is a dagger in my heart  
Thinking of you, thinking of you  
Thinking of you is a dagger in my heart

It's just a piece of paper  
But that's all I need  
The other aggravation  
It's ain't worth the shit to me

One hand on the paper  
One hand on my meat  
I'm gonna have you Sara  
The girl on page nineteen

Thinking of you, thinking of you  
Thinking of you is a dagger in my heart

Thinking of you, thinking of you  
Thinking of you is a dagger in my heart
