# Garbage Dump

**GG Allin**

Oh garbage dump, oh garbage dump
Why are you called a garbage dump
Garbage dump, oh garbage dump
That sums it up in one big lump

[Refrain:]
Garbage dump, oh garbage dump
Why are you called a garbage dump
Garbage dump, oh garbage dump
Why are you called a garbage dump
Garbage dump, oh garbage dump
That sums it up in one big lump

When you're livin' on the road
And sometimes think you're starvin'
Get off that trip my friend
Get in them cans and start carvin'

[Refrain]

There's a market basket and an A & P
I don't care if the boys are starin' at me
I don't give a shit who wins the war
I'll be livin' behind my favorite store

[Refrain]
