

# I Live To Be Hated

GG Allin

I live to be hated  
I got no friends  
I'll fuck you over and I'll rob you blind  
I'll leave you like a thief in the night

I live to be hated  
I'm a son of a bitch and I'm bleedin'  
I'm a submachine gun for you  
I'm a bitch, I'm a bastard with a guts of few

I live to be hated  
I'm all by myself  
I don't need nobody - fuck it  
In my living Hell

I live to be hated  
I'm a son of a bitch and I'm bleedin'  
I'm a submachine gun for you  
I'm a bitch, I'm a bastard with a guts of few

I live to be hated

I live to be hated
