I'll be your master daddy if you'll be my little girl
I'll get down and fuck you and rape you at my will
When I first met you, you were a pretty fuckin' girl
I'll fuck you like a baby I rape you at my will

You better not tell you'e not worth a soul
It gets me off when you're daddy's little whore
Gets me off when you're daddy's little whore
Get down on the floor

Baby fuck, baby fuck
Rape fucker, rape fucker
Baby fuck, baby fuck
Baby fuck, baby fuck
Rape fuck, rape fuck
Baby fuck!

I'll be your master daddy if you'll be my little girl
I'll hold you down and fuck you, rape you at my will
When I put it in you it's a great fuckin' thrill
I'll fuck you hard baby and I'll rape you at my will

Better not tell you're not worth a soul
Piss me off but you're daddy's little whore
Don't go to momma when you're daddy's litle whore
Get down and do it some more

Baby fuck, baby fuck
Baby fuck, baby fuck
Rape fucker, rape fuck
Baby fuck, baby fucker
Baby fucker

I'll be your master daddy if you'll be my little girl
Hold you down and fuck you, I'll rape you at my will
Better not tell I'll rape you as your soul
It gets me off when you're daddy's little whore

When I put it in you, when I pull it out
Fuck ya hard baby and I'll rape you at my will
Rape you at my will, rape you at my will
Oh daddy's little girl

Baby fuck, baby fuck
Rape fucker, rape fucker
Baby fuck, fuck, fuck, fuck
