

# Ten year old Fuck

GG Allin

Well on my cock your mouth it sucks

Well you're ten years old, you're a tight little slut

I wanna eat your shit, wanna eat your shit, you ten year old fuck

Ohhh...yeah...owww

I'm a child molester

The younger the better

Tight twats for me

I'll rape you, I don't care if you're one, two, three

Well if your dad found out he'd fuck me up

Beat the shit outta me in his pickup truck

For rapin' you they'd lock me up in a jail so tight

But my dick told me I better eat you up

You know what, there's nothin' like a cunt

Of a ten year old fuck

I'm a child molester at heart

I wanna fuck your little baby

I wish I would've known you when you were only five

Only five, only five

Coulda made you bleed

Coulda eaten you alive

I coulda fucked you when you were, were only eight

I coulda molested you when you were eight

Because I don't know what it is

With older girls, I can't get a date

That's why I gotta observe to rape

Rape, rape, rape, rape

Little girls, little girls, little girls, little girls

Tight cunt, tight twat

Five, six, seven, eight, nine, ten

I don't care

Wanna fuck a young girl

With no pubic hair
