

## Tough Fuckin' Shit

GG Allin

Well, last night I went drinking up and tripping too  
Hanging out in every bar that's down along Cedar Street  
Well, fuckin' 'round with sluts and whores is nothing new  
But don't fuck with us or we're gonna fuck with you

We're just sluts and living like scumfuc alley trash  
So if we piss you off that's just  
Tough fucking shit

Well, I can't get a job and I'm ugly and I'm no good  
Hey my shit stinks and Tammy's got big tits  
Well, the law is always on my ass I'm on their list  
Fuck them  
And I like to cut myself with broken glass

We're just sluts and living like scumfuc alley trash  
So if we piss you off that's just  
Tough fucking shit

Well, I hate my family - they can all go suck my ass  
Everyone hates my guts and wants to kill me  
Well, I just like to slit some throats and watch you die  
My revenge is my reality - so don't fuck with me

We're just sluts and living like scumfuc alley trash  
So if we piss you off that's just  
Tough fucking shit
