But one call from this make niggas lie down
Dem boy fi know by now

Earthly hands, I hold my ground

I don't like how
Certain man wanna profile now
Why you talking about drive-by shootings?
Your windows don't wind down

And I don't know about a M

With something that could've got a brudda a 10
But I said fuck the cards

Dem boy fi know I ain't dem
