That I'm on top, and you's on the low
Look, once again it's K to the izz-A
Nothing, merk MCs that are dizzy
Nothing, can't say "merk" in a rave
Nothing, K-A, I don't play
A problem and a name in the game
Merking Cassidy then Freeway
Them boy, they just don't wanna hear [?]
Them boy, they just don't want with K
They don't want it with K to the A
So there is games that I've play
No pricks don't wanna [?]
You make in a month what I make in a day
If you're a top boy, I'm taking your place
Get brave and I'll break in your face
You're eating, I'm taking the plate
I don't give a fuck who you are

Bring in about ten bags, going on cars
I was like, "kick it on", he was like, "nah"
I was like, "F it", he was like, "rah"

I'm a bad boy, roll with bad boys
I'm back, boy
Don't let me get the strap boy

Oi, oi, you're on fire
That's why you didn't do it
Hang tight Kano (It's a [?] ting)
He's on fire, that's why he's got a deal
Hold tight Bio
Hold tight Bionix
Hold tight ADEs, hold tight Skep
Hold tight all the crews
