

## Buss 1

## Ghetts

You don't wanna see me when it's midnight  
I'll flick my flick knife, shank him 6 times  
I ain't ramping, I run up in a camp with a gun up in my pants  
Last man standing  
Come through blasting a magnum  
Kill more than half of your mandem  
Everybody's targets I'm blasting at random  
I'm like bag dem, put em in a casket and dash dem  
I won't stop till everybody's yards are abandoned  
I got niggas from Plaistow, Stratford  
Ilford, Barking and Dagenham  
I'm the one starting the action  
Just to spark a reaction  
Can't stay calm in a clash, man  
Suck your mum ain't something I can take  
I caught a nigga skylarking and acting  
And started barking and ramping

I buss 1, buss 2, buss 3  
I buss 4, buss 5, buss 6  
I buss 7, buss 8, buss 9  
I buss 10, I buss skeng  
I buss 1, buss 2, buss 3  
I buss 4, buss 5, buss 6  
I buss 7, buss 8, buss 9

From Barking and Dagenham to E13  
Seen some grimey streets where kids decide to squeeze  
Flick knife up your sleeve, metal pipe in your jeans  
Flick knife in your spleen, metal pipe in your teeth  
The grimier streets outside of the East  
And I'll iron out a crease if you're lying through your teeth  
I'm not trying to be beat, have you flying out your seat  
When they're firing the heat, have you lying in a heap  
I'm from Dagenham D block where crack and B shots  
Are moving like rocks in slingshots  
I feel like I'm living in Fort Knox, where big Glocks  
Release more shots and leave you with more than sore spots  
You'll be lucky if you get your jaw rocked and jewellery pawned off  
Your bird gets slapped and storms off  
Tell him "you're a pussy, you was born soft"  
I'll be in the back of the motor when it pulls off

I buss 1, buss 2, buss 3  
I buss 4, buss 5, buss 6  
I buss 7, buss 8, buss 9  
I buss 10, I buss skeng  
I buss 1, buss 2, buss 3  
I buss 4, buss 5, buss 6  
I buss 7, buss 8, buss 9  
I buss 10, I buss skeng

I'm on firing guns that ain't got no safety  
I'll buss on a dirty date with a 38  
Make a man see them pearly gates, it won't phase me  
When I pull it out, I ain't gonna put it back in without letting a bullet ou

t  
I don't give a fuck who's looking out  
If I weren't gonna do shit, I wouldn't have took it out  
I'm fully down, why should I pussy out?  
I'll run up in a pussy's house  
Get his mum, spread her legs, stick it in her pussy, ouch  
Oh, that's fully foul  
I seen niggas like oh God  
That nigga's like oh dog  
Letting off's no prob  
Young strapped and I just don't give a fuck  
And I ain't got no job  
What? Man put money on my head  
I'm ready to buss like there's a honey in my bed  
I get gully with a bucky in the vest  
Straight duppying the set  
Another mums in a stress  
Wishing her son was home studying instead  
I don't wanna kill nobody  
But man just run up on my cuzzy in the ends  
So now it's a payback ting, watch when I spray dat ting

I buss 1, buss 2, buss 3
