## Ghetts

Them the ones see a nigga shine  
So I'm leaving all you niggas blind  
Treating labels like models now  
If you wanna holla get your figures right  
I backstroke then I synchronize  
And let man know standard know no pick a side  
They talkin' about the jungle it's a rambo in a gorillas eyes  
Don't be pulling up in that lambo when it's dinner time  
Anywhere man go, gang go what I signify  
I used to be the runaround  
Now I got a runaround  
That I runaround when I chill I run run him down  
I was getting brain everyday, had to dumb it down  
Even at the reign at my place when the sun was out  
Drink henny, then mask up, jim carrey  
Take this, use both hands, it's a bit heavy  
That's CJ on the phone, the whips ready  
Who what where when and why  
Big belly

Hear me now  
Know what it's like in my area  
All my breddas got mask on  
Which ones scarier  
Halloween halloween  
Halloween halloween  
Halloween  
Halloween halloween  
Halloween halloween  
Oh lord have mercy now

Hear me now  
Know what it's like in my area  
All my breddas got mask on  
Which ones scarier  
Halloween halloween  
Halloween halloween  
Halloween  
Halloween halloween  
Halloween halloween  
Oh lord have mercy now

Ski mask when I breeze past  
Who want play the street card, you need hearts  
We are who we are  
I just had to lay low and recharge  
Be calm I see far  
I extend each arm and squeeze hard  
Head, chest, arms, knees gone  
Praying on my enemies then I recharge  
This is terrorism with a green card  
Jumping out the 911  
Run ain't the only guy that's revvin'  
10 gal Walthamstow  
Gotta keep the one besides the 7  
Halloween every day, take a page out my book  
Magazine when we play, man relate to the hook

They be covering their faces, basics  
Never see my face like I'm jason

Hear me now  
Know what it's like in my area  
All my breddas got mask on  
Which ones scarier  
Halloween halloween  
Halloween halloween  
Halloween  
Halloween halloween  
Halloween halloween  
Oh lord have mercy now

Hear me now  
Know what it's like in my area  
All my breddas got mask on  
Which ones scarier  
Halloween halloween  
Halloween halloween

Oh lord have mercy now

We don't come around often  
But when we come around problems (yeah)  
Man are looking at us weird, got me thinking that we robbed 'em (yeah)  
Let me know if you're my enemy  
I send your soul into the cemetery (yeah)  
I let him go like he was 70  
I'm a whole different pedigree (oh my God)

Hear me now  
Know what it's like in my area  
All my breddas got mask on
