

# In A Zone

Ghetts

Ghetts It In Gang  
Free Titch

I'm in a zone, zone, zone  
I don't care what's going on around me because I'm in a zone, zone, zone, zone  
'Cause I'm in a zone, zone, zone, zone, zone, zone  
I'm in a zone, zone, zone  
I don't care what's going on around me because I'm in a zone, zone, zone  
'Cause I'm in a zone, zone, zone, zone, zone, zone

It revolves in my head  
I'll let go in a sec  
If you wanna stare then stare  
I don't care I swear  
As far as I'm concerned  
I'm the only one here  
And a bass-line like this  
Can only end up a victim of Ghetts  
Hurricane coming this way  
I didn't know until it was too late  
What a way to go can't escape the zone  
No its a big place  
I don't wanna leave so an exit is irrelevant  
I've been in the zone so long I'm a resident

I'm in a zone, zone, zone  
I don't care what's going on around me because I'm in a zone, zone, zone  
'Cause I'm in a zone, zone, zone, zone, zone, zone  
I'm in a zone, zone, zone  
I don't care what's going on around me because I'm in a zone, zone, zone  
'Cause I'm in a zone, zone, zone, zone, zone, zone

Apart from the music, everything's on mute  
Full blast and its booming  
This will remove your roof  
I know I'm not just assuming  
Its been tried, tested and proven  
Its too much for the average human  
If there's a burglar coming this way God help me I won't hear them intrude  
What a waste of dough, I just lost everything I have  
How come? I blame the zone  
I don't wanna leave so an exit is irrelevant  
I've been in the zone so long I'm a resident
