

## K2

Ghetts

Yeah (Yeah)  
Yeah  
Aye, where's the zoot? I like that  
Yeah, pass that zoot a minute  
Pass that, pass that  
Yeah  
You know how we do it (You know how we do it)  
Puff, puff, puff, puff, puff, puff give (I don't give a fuck if it's [?])  
Yo  
Yo (We just puff, puff, give)

I've been smoking the K2  
Now I can look up this roach and see straight through  
No joke, this is great food  
I swear down, plus we both know this is great food  
On the real, look at you, look at me  
Look at [?], look at [?], look at J  
Look at T, look at them, look at us, look at us  
We all know that the peng is a must but  
Nigga can you handle this?  
This ain't your regular cannabis  
This shit will make you choke as if you're [?] is being strangled  
Prick  
Fuck with your body as if it was being tampered with  
Light you with a lighter  
Light you with a can of stick  
I light it for the life  
If doing life was some random shit  
I used to be a lightweight  
Now my zoot's are pretty high wave  
But if you ain't chipped in, you can hit the high way  
Puff, puff, give

I don't give fuck if it's not enough, give  
I just puff, puff give  
Puff, puff give

I don't give fuck if it's not enough, give  
I just puff, puff give  
Puff, puff give

I don't give fuck if it's not enough, give  
I just puff, puff give  
Puff, puff give

I don't give fuck if it's not enough, give  
I just puff, puff give  
Puff, puff give

Yo blud, I smoke the thing, it's weed  
No seeds, like green, blue, berry blunt  
It's part of life, I ain't even trying to stunt  
I'm like a yardie, there's no roach in my blood  
It makes me feel better when it comes to my lungs  
[?] to my self when I'm in my trunk  
Been smoking since Michael Jackson was black

I'm like Santana, because I spit, cook crack  
And I will attack  
If you don't pass the weed back  
Your face gets slapped, clap, clap  
Lyrically, one last with true facts  
Call us the UK diplomats  
We bun weed like we bun the track  
Can't wait to get the platinum plaque  
Blud, pass the zoot back  
(Fucking first time smoker)  
Puff, puff, give

I don't give fuck if it's not enough, give  
I just puff, puff give  
Puff, puff give

I don't give fuck if it's not enough, give  
I just puff, puff give  
Puff, puff give

I don't give fuck if it's not enough, give  
I just puff, puff give  
Puff, puff give

I don't give fuck if it's not enough, give  
I just puff, puff give  
Puff, puff give

Just puff  
Just puff  
Just puff  
Just puff  
Just puff  
Just puff  
Just puff
