

## Menace

## Ghetts

I'm a force to be reckoned with  
I'll state my thoughts on anyone's premises even if it's negative  
I'll show you what a menace is  
I do music, shot and still claim benefits  
Gunshot specialist, long range hitting arch-nemesis  
Niggas wanna know what my method is  
No I ain't delicate, I'll bust my 'ting for the hell of it  
I ain't gonna say I don't ever miss  
I ain't O.T but I can be devilish call me a pessimist  
I'll catch you on foot tryna' beg a lift  
You wish you could fly like Pegasus  
Don't think I do it to be credited  
You think you're hard like a Megalith, I'm like a terrorist  
I'll blow anyone up I ain't prejudice  
You don't want B-Double-E-F I'll spray the C-S, thrown off on a Gilera VX  
You wanna play games? play PS One  
It's something like Vietnam  
I'm a menace come out around tennish  
Been doing this before bound for bound perished  
When I was hungry you weren't even peckish  
I was letting off pellets in the Chemist  
I let the place blemish, these times I cherish  
I'll bury a ferret on his own terrace

I'm a menace damn right I said it  
I don't want credit feds come I leg it  
Desperate times desperate measures  
Run up on fellas' that came to drug sell us  
I'm a menace damn right I said it  
I don't want credit feds come I leg it  
Desperate times desperate measures  
Run up on fellas' that came to drug sell us

I'm a menace like 'O' Dog  
I'll give your gran a benners for a blowjob  
Another ten for her clothes off  
She's stiff like a robot  
But there ain't nothing I won't want  
I'm just fucking about, but I'll bust in her mouth  
And when I go soft? I'll send her back to the corner  
Right next to the postbox, I'm a nasty piece of work  
I might beat your bird, and leave her skirt with a whole heap of sperm  
You probably think G's a perv, but I'm not I just need a nurse  
Cause I'm that sick, but I ain't gotta hold girls captive  
I'm an attractive young black kid, plus I do music still I'm on the road so  
I haven't adapted  
I don't wanna mix the both, but when pricks provoke I just might put sticks  
to throats  
See which one of you's missed the most, man'll watch me like there ain't chicks to scope  
Screwface I'll be like fix your boat, why screw when I find you  
Even if you have no fix, the road two moves: flick and poke  
Two two's Here's a ghost, you lose I'll put the Iron in the niggas chest something like a boob tube

I'm a menace damn right I said it  
I don't want credit feds come I leg it

Desperate times desperate measures  
Run up on fellas' that came to drug sell us  
I'm a menace damn right I said it  
I don't want credit feds come I leg it  
Desperate times desperate measures  
Run up on fellas' that came to drug sell us

It's G-H I be on the grind  
You better know I don't stop for a tea break  
I might fail, cause I'm like L  
I'm the nigga police hate, in each state  
I've been a menace before I could pee straight (How Ironic?)  
Cause I'm taking the piss now, you can put your life on it  
I'm honest, ready to die like Wallace  
If any you guys wan' it, why long it? I promise  
I ain't doing it for a new Rewind topic  
I ain't gonna get stripes from it I'm psychotic  
When I've got a knife I don't care who's quite solid  
I'll have you under your car like hydraulics  
So what if your friends are hyper like Phonix  
It's diabolic, I'll fire the rocket at the guy on my bonnet if it's me you t  
ry abolish  
It's E-Double-T-O nigga peeps know I keep chrome in my jeans  
I'm a target now that my boats on the screen so I can't slip until I own a m  
achine  
You're a halfwit if you're approaching my team, you'll be in a casket, not o  
pen to be seen  
When I open fire, I'll bring down your whole empire and blow from the scene

I'm a menace damn right I said it  
I don't want credit feds come I leg it  
Desperate times desperate measures  
Run up on fellas' that came to drug sell us  
I'm a menace damn right I said it  
I don't want credit feds come I leg it  
Desperate times desperate measures  
Run up on fellas' that came to drug sell us
