

Skadoosh

Ghetts

Aye, yo, like
I must've left the ting's yard now, yeah? (Ah-ah, I'm hearing that)
She's trying to me, like, she wants to go at man like
Aye, like, I'm telling the girl, 'skadoosh'
Next ting but you see me now
She would've said that and I just would've walked back in
And skadoosh'd that
Jeez, bruv, let me tell you the other day, yeah
Trust me, I'm outside man's yard
I'm telling [?]
I'm telling one better creep through the window, easy
Telling me now, told him

Skadoosh, I'm so fucking hood
Never does it by the book
They wanna be me, they would if they could
I'm on a TV but I'm still a fucking crook
The new saying on the roads, it's skadoosh

(Skadoosh, skadoosh)
(Skadoosh, skadoosh)
(Skadoosh, skadoosh)
I got 'em screaming like
(Skadoosh, skadoosh)
(Skadoosh, skadoosh)
(Skadoosh, skadoosh)
I got 'em screaming like
(Skadoosh)

But this ain't a cartoon
And I'm not Kung Fu Panda
I got something as long as a harpoon
I make make a young yout [?]
Even if it's a half moon
There's wolves out, so, don't walk out
Underworld, the rights of the [?]
I'll turn this into a wolf town
Distribute hard, finna take over
Game over
I can't see you like a snake shoulder
I ain't in a pen but I'll shoelace choke ya
Put you in a couch in front of the TV
Don't move, your new name's Homer
Plaistow, London, UK soldier
You man are soft
Me? I ain't part of the moving culture
Nah

I'm totally F'd
We can go head to head
So there's nobody left
Then I'll go for the ref
Send it out to the mandem
Everybody in the hood
You don't have to check your watches you hear me say skadoosh

(Skadoosh, skadoosh)

(Skadoosh, skadoosh)
(Skadoosh, skadoosh)
I got 'em screaming like
(Skadoosh, skadoosh)

(Skadoosh, skadoosh)
(Skadoosh)
I got 'em screaming like
(Skadoosh)

Grime kid sound effects
I'm live and I rep for the East end
You can tell from my accent when I'm out the ends
No rest for the wicked, I'm meant to be living
But I'm night, not Ralph Lauren
Fresh, like, say I was a child again
If man try and get on my nerves
You'll hear the new slang because I ain't gonna count to ten
I'm taking the piss
Some man try and get in my way but the plan back fires
They're in a whip with two flat tires
I be the star your crew admires
Reason or not, fam, rate me
If you don't, then I'll call you man biased
I'm a stage show, you're like a [?] long
Ask man at the [?]

I'm a star in the hood
I'm the ideal crook
I should've been a baller with my fucking right foot
Hit lines in my book
Tell the haters, them shush
All you're talking is poop
I got 'em screaming like

(Skadoosh, skadoosh)
(Skadoosh, skadoosh)
(Skadoosh, skadoosh)
I got 'em screaming like
(Skadoosh, skadoosh)
(Skadoosh, skadoosh)
(Skadoosh, skadoosh)
(Skadoosh)
I got 'em screaming like
(Skadoosh)

I used to laugh and joke with the dibby-dibby MCs
Now I go on tracks to spin MCs
I wanna dust [?] and bin MCs
Today I let an MC end me
They're letting 25 to life
I'll end up in penitentiary
If I had a bag for every [?] or MC sent for me
I'll have P's, I mean g's
More time I let these MCs
Talk up, talk up
They can't MC, they delude themself endlessly
Every time they release a shit CD
Represent strength for me
Anytime they do shit, it makes me believe music's meant for me

(Skadoosh, skadoosh)
(Skadoosh, skadoosh)

(Skadoosh, skadoosh)
(Skadoosh, skadoosh)
