

Who's Got A Problem

Ghetts

If I say I'm the best in a room full of MCs
Who's got a problem with that?

What about you? Have you got a problem with that?

The more they get wheel-ups
It's cause of the beat though

Steamroll any MC
Please don't go against G-H-E-double-T-O
Man say they're going in, they're looking through the keyhole
The way I goin' in they think I located the weed grow
Beast mode
See me, see Hulk
My CV Deebo
