

YouDunKnow Already

Ghetts

Wez just said "32 for the brick"
And I was like yeah, you dun know already
Bartender, I can mek a likkle drink
And I'll be like yeah, you dun know already
My nigga Mercs said "bring him a pic"
And I was like yeah, you dun know already, already
Jumped in the whip with it quick like yeah
Dun know already, dun know already

You dun know already
You, you dun know already
You du-du-du-du-dun know already
You, you, you dun know already
You dun know already
You, you dun know already
You du-du-du-du-dun know already
You, you

On your marks, get set, get money
Come against me and get duppied (Boom Bye Bye)
When old school Ghetts gets gully
Everyone gets worried (Boom Bye Bye)
Who tek, who tek nuttin'
You'll get peppered and curried (Boom Bye Bye)
I asked "who's got a problem with that?"
And nobody said nuttin'

Boss, Megaman's back
TT, Megaman that
Megaman hat, ooh, beg a man chat
Slugs might swell a man's back
The knife I bought will have man on life support
I'll send man to 'eaven and back
Ding ding, if you ever let your ting ring
Then us man a bell a man back

Wez just said "32 for the brick"
And I was like yeah, you dun know already
Bartender, I can mek a likkle drink
And I'll be like yeah, you dun know already
My nigga Mercs said "bring him a pic"
And I was like yeah, you dun know already, already
Jumped in the whip with it quick like yeah
Dun know already, dun know already

You dun know already
You, you dun know already
You du-du-du-du-dun know already
You, you, you dun know already
You dun know already
You, you dun know already
You du-du-du-du-dun know already
You, you

Rupapumpum
This one's another lump sum
Every time I kill off an MC

Two minutes later, another one come
Come and get spun
I said come and get spun
I heard man say that Ghetts ain't the hardest
Liar, keep that 101

Boss, Megaman's back
TT, Megaman that
Megaman hat, ooh, beg a man chat
Slugs might swell a man's back
The knife I bought will have man on life support
I'll send man to heaven and back
Ding ding if you ever let your ting ring
Then us man a bell a man back

Wez just said "32 for the brick"
And I was like yeah, you dun know already
Bartender, I can mek a likkle drink
And I'll be like yeah, you dun know already
My nigga Mercs said "bring him a pic"
And I was like yeah, you dun know already, already
Jumped in the whip with it quick like yeah
Dun know already, dun know already

You dun know already
You, you dun know already
You du-du-du-du-dun know already
You, you, you dun know already
You dun know already
You, you dun know already
You du-du-du-du-dun know already
You, you
