

Hideaway

Ghost Atlas

Sometimes
I feel right at home
But when I don't, it takes all I've got to find
A high I don't rely upon

Float along the roads where you hide away
Save all the memories you want
Carry on, bury all the messages
But don't pull away when you go

Sometimes
I try to play the part
But then I start
To question the differences between who we are

Float along the roads where you hide away
Save all the memories you want
Carry on, bury all the messages
But don't pull away when you go
Carry on, bury all the messages
But don't pull away when you go, away when you go

Sometimes (Sometimes)
Sometimes I feel alone in a crowded room

Float along the roads where you hide away
Save all the memories you want
Carry on, bury all the messages
But don't pull away when you go
Carry on, bury all the messages
But don't pull away when you go, away when you go

Away when you go (Carry on)
Carry on (Away when you go)
