

Don't Worry Son

Ghost of the Robot

Driving all night on the highway
Swerving all over the freeway
Chasing black dogs after midnight
I'm just holding on for twilight

Don't you worry son I'm coming for you
Don't you know I'm bound to come through
Yes I am now

Yes indeed
Take it easy
Gosh almighty lord yeah
Take it all now

We got a little farm down in Dillon
We got birds, cows, horses and chickens
We play Jedi knights and pirates
We just don't know what the time is

Don't you worry son I'm coming for you
Don't you know I'm bound to come through
Yes I am now

Yes indeed
Take it easy
Gosh almighty lord yeah
Take it all now

Yes indeed
Take it easy
Gosh almighty lord yeah
Take it all now

I'm coming even if I'm sleepy
I'm a young man and coffee's cheap yeah
Or if there's rain, fog or snow
I just be careful watch for highway patrol

Don't you worry son I'm coming for you
Don't you know I'm bound to come through
Yes I am now

Yes indeed
Take it easy
Gosh almighty lord yeah
Take it all now
