

Fan Girl

Ghost Town

I know this girl that says she's lost it all
And that she's gonna fall
And that she'll never be happy again
I know this all to be true
I've lived it, I'm no different
I'm just like you
Just like you

Fan girl, fan girl, you don't know what you do to me
I love your insecurities
Fan girl, fan girl, hope you know you mean the world to me
I wish that you could see what I see

I wish that you could see what I see

Obsessed, obsessing
All you want is screamed at the top of their lungs
I'm just some horror story,
Made in your laboratory
I'm just some poster on your bedroom wall
I get excited too, think I'm in love with you
I'll scream at the top of my lungs

Fan girl, fan girl, you don't know what you do to me
I love your insecurities
Fan girl, fan girl, hope you know you mean the world to me
I wish that you could see what I see

I wish that you could see what I see

I wish that you could see what I see

Fan girl, fan girl, you don't know what you do to me
I love your insecurities
Fan girl, fan girl, hope you know you mean the world to me
I wish that you could see what I see

Fan girl, fan girl, you don't know what you do to me
I love your insecurities
Fan girl, fan girl, hope you know you mean the world to me
I wish that you could see what I see

I wish that you could see what I see

I wish that you could see what I see
