

Paranormal Love

Ghost Town

You're the prettiest ghost I ever did see
Can you possess me
Can you come out of the white sheet
And invite me, you excite me

I never thought that this was possible
I never thought that this could be
But we both know what this is

This is a paranormal love
I'm keeping one foot free
Through this EVP
This is a paranormal love
You're really scaring me
I'll meet you halfway with one foot in the grave
One foot in the grave

R.I.P. to the old me
Once I left that abandoned building
I was set free
You convince me
Sweet apparition
I'm missing you

We're out of control
I wanna know
I wanna know you feel it too
So who did you love, who did you hate
I'm just-just dying to know

This is a paranormal love
I'm keeping one foot free
Through this EVP
This is a paranormal love
You're really scaring me
I'll meet you halfway with one foot in the grave
One foot in the grave
One foot in the grave
One foot in the grave

Breaking through the static
Onto the after life, on the other side
Let's not be dramatic
From the grave you came
And you gave me life
I think that this is
(I think that this is)
I know that this is
(Paranormal love)

(Paranormal love)

This is a paranormal love
I'm keeping one foot free
Through this EVP
This is a paranormal love
You're really scaring me

I'll meet you halfway with one foot in the grave

This is a paranormal love

I'm keeping one foot free

Through this EVP

This is a paranormal love

You're really scaring me

I'll meet you halfway with one foot in the grave

One foot in the grave

One foot in the grave

(I'll meet you halfway, halfway)

One foot in the grave
