

## Monstrance Clock

(ghost)

To the sound of the monstrance clock  
Here is cleansed assembled flock  
Black candles burn all night tonight

To the sound of the monstrance clock  
Here is cleansed assembled flock  
Black candles burn on my shrine

As the parish sizes smoke  
And just leave you revealed of cloak  
To the haunting sound of the monstrance clock  
Singing:

Come together, together as a one  
Come together for Lucifer's son

To the sound of the end of day  
Mesmerized the assemble sway  
Black candles burn on my shrine  
Hypnotizing lords of realm  
Paralyzing pentagram  
And the eerie sound of the monstrance clock  
Singing

Come together, together as a one  
Come together for Lucifer's son  
Come together, together as a one  
Come together for Lucifer's son
