

Ballgag

Ghostemane

Put your ballgag in her mouth
Put your ballgag in her mouth (aye)
Put your ballgag in her mouth
Put your ballgag in her mouth
Put your ballgag in her mouth
Put your ballgag in her mouth
Put your ballgag in her mouth
Put your ballgag in her mouth

Aye, aye
Put your ballgag in her mouth
Handcuff the bitch face down on the couch
Choke her then I'ma take the ballgag out
Now I put her panties in her mouth
Shawty eyes lookin like they gonna pop out
Got her consent and I'm going all out
Let the bitch breathe I won't let her pass out
"Fuck you like an animal" bumping in the background

Put your ballgag in her mouth
Put your ballgag in her mouth
Put your ballgag in her mouth
Put your ballgag in her mouth
Put your ballgag in her mouth
Put your ballgag in her mouth
Put your ballgag in her mouth
Put your ballgag in her mouth

I've got something inside of me
And you make me wanna let it out
And I'm not afraid
