

# Caligula

Ghostemane

Take seven steps back  
I don't give a damn if a motherfucker wearing all black  
Run that lip don't know how ta act  
Face get smacked with a Louisville bat  
Now think on that  
Wannabe  
Never has been really wanna beef with me  
I chop em' all they body parts throw em' in a ice box just like  
JGRXXN  
K-R-double E-P say hey to the brand new wave  
Keep on re-tweetin my shit ima remember who there from day 1  
Pussy motherfucker talking shit behind the screen for fun  
I preferred jujitsu  
Get up pussy boy you need a gun

Lookin' down the barrel of my 22  
I never thought it'd come to this  
I bet you didn't too  
And rest in peace to all men that didn't make it through  
I see you soon as I meet my doom  
I meet my doom

Russian Roulette when I walk out the door  
Enemies lurkin like COD 4  
Problems with trust cause I been there befo  
You neva lookin me in the eyes when I spoke  
Nothin new under the sun but I'm doin it better than ever befor  
e  
Wanna make a hypebeast so bad  
That he wanna confront me at one of my shows  
Seen them Mothafuckas reppin so flo spittin no flow hit da flo  
go  
Bury yo head like a doedoe  
There's something special bout the morning after LSD  
Trippin and fuckin' the night away  
I'm saving me from destiny  
Lock up  
All of yo secrets and keep 7 steps away from me

Lookin' down the barrel of my 22  
I never thought it'd come to this  
I bet you didn't too  
And rest in peace to all men that didn't make it through  
I see you soon as I meet my doom  
I meet my doom
