Ghostemane

Why you hit my phone?
Bitch don't hit my phone
You never did before
Now you wanna glo
Why you hit my phone?
I'mma hit ignore
I don't fuck with y'all
Wanna be alone

Why you hit my phone?
Bitch don't hit my phone
You never did before
Now you wanna glo
Why you hit my phone?
I'mma hit ignore
I don't fuck with y'all
Wanna be alone

I'mma roll up in a ball then go to a cave and die
Then I'm gonna resurrect haunt everything in your life
Get up in you brain
Really make you wanna think everything alright
Next thing you know you'll be layin' in that cave where you made me g
o to die
Try to be tight but I really wanna say don't hit my line
I'm either gonna be fuckin' or trippin' I don't got time
Why you gotta act like you got something on your mind
When all you really wanted to do was hit me up and say hi

Why you hit my phone?
Bitch don't hit my phone
You never did before
Now you wanna glo
Why you hit my phone?
I'mma hit ignore
I don't fuck with y'all
Wanna be alone

Why you hit my phone?
Bitch don't hit my phone
You never did before
Now you wanna glo
Why you hit my phone?
I'mma hit ignore
I don't fuck with y'all
Wanna be alone
