Ghostemane

Cannibal [x8]

Love is a plague but I'm dying and taking you with me in the unknown

Cannibal [x5]

Versace Pip-Boy I'm a young gun coming up with no bankroll

Bout as often as a cop use a stun gun is bout as often as I got hope

I was falling in a lake of fire then a white witch pulled me out of black smoke

Now I gotta find a way to save both me and my soul love a demon got a hold of us both

I ate your chick (out)

In my black track jacket yes I'm sick with it

In a minute I'mma be acquitted on accounts that I did it with a motive to set free the tension locked up in her chest that you put there with your self hate and all your regret

'95 Marilyn with less regard for my actions

I do before I think I'm dead to the world I'm a
