

Yeah, I just wanna kill somethin'

Ottawa, Prague, Warszawa, Thessaloniki
Chinga la policía, caught up in Madrid
I'm a genre-hopper, and I'm vicious like Sid
I'm a genre-hopper, and I'm vicious like Sid, yeah

Yeah, fuck an opponent, overground and I own it
I don't give a motherfuck about underground credit
Genre-fluid and I'm the best to do it
Look at all the frauds tryna copy, can't do it
I don't wanna ride a wave but I made a wave
Cultivate a cult, look at me 'cause I'm a freak
Black and white mane with a face full of makeup
Prettier than your girl, nails sharp like a razor
Motherfuckers think it's all glam, fans think I'm the man
But really, I'm just a sad band member with bands
But it don't matter so matter of fact, I'ma empty my bladder
All over the track and imagine me disappearing without a tear
And I ain't seen my bed since the end of Feb'
I ain't seen my momma since then

Kinda make me wanna kill somethin'
Yeah, I just wanna kill somethin'
Yeah, I just wanna kill somethin'
Sometimes I just wanna kill somethin'
Yeah, I just wanna kill somethin'
