

Order 666

Ghostemane

"The time has come to execute Order: 666"

GHOSTEMANE
Take over your brain and make you go insane
G-GHOSTEMANE
Take over your brain and make you go in
G-G-GHOSTEMANE
Take over your brain and make you go insane
G-GHOSTEMANE
Take over your brain and make you go insane
GHOSTEMANE
Take over your brain and make you go insane
GHOSTEMANE
Take over your brain and make you go-
G-G-GHOSTEMANE
Take over your brain and make you go insane
GHOSTEMANE
Take over your brain and make you go insane

I am not alive
I'm a motherf*cking entity
Talk a lot of shit
But these bustas don't got shit on me
I'll pull my damn weight, ain't nobody knock a deity
Have a bitch fiending when she spend a single day with me
I'm breaking off the Schema
Rest in peace my f*cking pops and them
Wouldn't be that bad to be with 'em but that's okay cause I'm not
I'm bringing back the evil shit that some of y'all just don't understand
Living with your mama
Ain't got bills to pay
No ballas mane
Listen to the bass as it bump and take away your brain

Pour you up some liquor and light up a spliff to ease the pain
Bitch, talking stupid then you lose your spot when this rotate
Shut your damn mouth inhale the smoke and watch you levitate
Bitch

GHOSTEMANE
Take over your brain and make you go insane
G-GHOSTEMANE
Take over your brain and make you go
G-G-GHOSTEMANE
Take over your brain and make you go insane
GHOSTEMANE
Take over your brain and make you go insane
G-GHOSTEMANE
Take over your brain and make you go insane
G-GHOSTEMANE
Take over your brain and make you go-
G-G-GHOSTEMANE
Take over your brain and make you go insane
GHOSTEMANE
Take over your brain and make you go insane

Take a big hit of the junt and don't question the shit I say

You be thinking it over
Thinking of me on one of my worst days high
You wanna get up and say "hi" to all of my kinfolk who died
Better back up with the bullshit
Sippin' that narc until my 20/20
Dissipate into oblivion 'til I am really in my state of
Bliss
