

I always been a loser not a winner  
I took a stripper to a 5 star dinner  
Pentagram on my chest freak out the waiter  
Lil Versace PipBoy, I'm a sinner  
I got a ex and she swear to God I miss her  
Bitch you way too basic like a fidget spinner  
I used to love now my heart feel like the winter  
Annoying bitches feel my shoulder like a blizzard  
I always been a loser not a winner  
I took a stripper to a 5 star dinner  
Pentagram on my chest freak out the waiter  
Lil Versace PipBoy, I'm a sinner

Working you out of my head  
Working you out of my head  
Don't pray  
Don't pray  
Don't pray  
Don't pray  
Nobody's listening anyway  
Don't pray  
Don't pray  
Don't pray  
Don't pray  
Working you out of my head  
Working you out of my head  
Don't pray  
Don't pray  
Don't pray  
Don't pray  
Nobody's listening anyway  
Don't pray  
Don't pray  
Don't pray  
Don't pray  
Working you out of my head  
Working you out of my head  
I can't take this anymore
