

## Where Ashdro At?

Ghostemane

Kurt Cobain  
Came to me in a dream  
Offered me some cocaine  
And a blunt of weed  
Said I wasn't really livin'  
And I need to be free  
I sold the cocaine  
And I smoked all the weed

Kurt Cobain  
Came to me in a dream  
Offered me some cocaine  
And a blunt of weed  
Said I wasn't really livin'  
And I need to be free  
I sold the cocaine  
And I smoked all the weed

Sometimes I feel like great ole' Zeus hatin' on me  
Poseidon tryna sniff' me out drown me in the sea  
I feel like a god who can live like a ghost  
Whether he at the end don't ask just grab

Crash  
Crash  
Crash  
Bandicoot told me  
Flip an' sift em through the game  
No sane memory  
Man fuck him bring my knife I thought he was cool  
But he a fool  
Smoke all my weed that ain't cool  
Throw my biggest at you
