

## Bamboo's Lament

Ghostface Killah

Never wanted to get left alone  
I didn't know how to go along without you  
Is it too late?  
Did I make a mistake?  
Think about the times we shared  
Through the good and bad. Don't feel so sad  
Is it too late?  
Did I make a mistake?

Yeah yeah, did I make a mistake?  
No no, is it too late?  
Oh oh, did I make a mistake?  
Yeah, yeah, uh

Never wanted to get left alone  
I didn't know how to go along without you  
Is it too late?  
Did I make a mistake?  
Think about the times we shared  
Through the good and bad. Don't feel so sad  
Is it too late?  
Did I make a mistake?

Yeah yeah, did I make a mistake?  
No no, is it too late?  
Oh oh, did I make a mistake?  
Yeah, yeah, uh
