### Ghostface Killah

Aiiyyo, where the fuck is that blunt at?  
Where y'all niggaz hoggin the shit man?  
Two pulls of that shit nigga start gettin paranoid and shh  
Get your fuckin, get your feet off my fuckin table nigga!  
Fuck you think you at home, with your cheap fur on?  
Shit look like it 'bout to bite somethin and shit nigga

Yo, yo, it was the night before he got popped  
Big jars of haze, Cheech & Chong bong in the spot  
Tropicana, strawberries, diced bananas  
The long dookie fifth, next to the Town House crackers  
Mad noise, 2008, a G a game  
I'm ridin on in the love seat, sunk deep  
Long niggaz bustin out they punk heat  
I make a massacre, try to rob one of my donkeys  
But I ain't wettin that  
I don't wanna send nobody back, violently, fakin that  
Promise you, got somethin Lord that'll honor you  
Blow your little head off while you're tyin your shoe  
But back in the kitchen, Pyrex's  
Occupied by the twins, bank robbers with large records  
Hard vest-es, '86 ga-ga John{?}  
Benatar rockin some frames and fake guns when they rob Sha Born  
'til then they snatch you, axe you  
Play the squid-ad, we gettin at you  
And we don't wanna rap to you, it's not kosher  
It's not a code in la costa nostra to roast ya  
I get a lil' closer  
Rock you to sleep, like I got these lil' bitches, come over!  
Hopin you fall for the bait, thinkin you safe  
Have that ass sweatin like T.D. Jakes  
I want the ones nigga, you non-believers you can ask your momma  
Now that's drama

Uhh, dollar icey from, papi with the scraper, glock with the laser  
Tryin my best not to pop yet but the drop is major  
Shot my lil' cuz, I do my art to favor, watch this  
I never been this itchy, hope these cops just  
get a doughnut urge and just splurge, you got the nerve to play third?  
In a softball tournament round my waist, yeah that's ya word  
You bird, I'll put your beak on the curb but anyway  
Looks like a good game, the pigs ain't leavin so I'ma lay  
Nice play, just too bad it's your last  
Couple bundles of D, and 200 cash that sat you in the grass  
I watch the teams line up, shake hands, guess the game's over  
Faggot nigga hopped in the Liberty, fake Range Rover  
I'm on his (Tail) like, Sonic lil' shorty  
Palmin on a 40, broad day I'm tryin to dodge a cover story  
Look like he stoppin for gas, I'ma pluck 'em, yay  
This had to be his most, unlucky lucky day  
Two brothers come out 7/11 in Army wear and stand there  
I'm actin like my tires need air  
He close the gas cap, too many things goin his way  
So I just cash that, y'all probably think I'm buggin but hey  
I know them games in Lindsay Park is every Sunday, he ain't goin nowhere  
I went home, switch gear, went out and grabbed me a beer  
Ten drinks later I'm at Burger King window for a Whopper

Look left and see partner, I hit the stash BLAKA!  
Now that's drama

Who the fuck you think you is, Ron O'Neal?  
Tat-tat, what the fuck when that 9-milli peel  
(Is it real?) Realer than Pittsburg (Steel)  
Yo Ghost pass the toast, these niggaz is daffodils  
Got butt-naked bitches countin half a mil', gloves on  
Fully dressed bitches watchin them, with they snubs on  
While I'm in the kitchen pretendin to be Raekwon  
Watchin Rachael Ray all day, I get my cake on  
Fiends love me like a Drake song  
Rep that Lou' Vuitton Bottom in my back pocket all day long  
Black Wall Mafia, Wu-Tang Sopranos  
Niggaz say they pushin ki's/keys but we don't see pianos  
Niggaz say they pushin Phantoms, we don't see the opera  
Niggaz steady rockin dreads, you ain't even rasta  
Take your New Era off, and reveal  
the faggot nigga you are or your cap gettin peeled  
Then we out to Brazil, I know niggaz in Negril  
that'll chop your fuckin head off, and throw it on the grill  
Take the gold out your mouth and throw it in they grill  
Send a finger to your moms and let her know that it's real  
Nigga we in the field like Chris Johnson  
It's 2010, how the fuck we get six Thompsons?  
Top 10, how the fuck you gon' forget Compton?  
Every rapper on your list'll get they shit stomped in  
I started Su-Wu, I'm the reason for that 5 shit  
Came in the game, on that fuckin "Ready to Die" shit  
Sold 9 mil', ended up on some fly shit  
Naked pictures, R&B bitches all in my Sidekick  
How I be killin the pussy, should be a hate crime  
Got a Blackberry, was gettin too much face time  
Back to fuckin project bitches, now I hate dimes  
All they want is money my nigga, I can't waste mine  
I son/sun niggaz like it's daytime  
Gray cotton Louie sweatsuit, with the Ralph Lauren waistline  
Smooth as a baby's ass, and I got that Baby cash  
Catch me in the hood, same deals Old Navy had  
Motherfuckers
