## Ghostface Killah

I just wanna flex, headed for success  
I just bought a passport, Benny and the Jets  
I just got the bag tho, running up a check  
Cause I just wanna, I just wanna  
I just wanna, I just wanna  
Flex, headed for success

Ayo, patty cake, patty cake multiplyin' 5 pies  
Mountains on the table, take a wiff that's a line drive  
Pulling out cocaine biscuits doing drive by's  
Bitches butt naked in the kitchen, shorty suck me dry  
2 am flights elite jet, furry Louis seats  
Alkaline bottles of Don, the whole crew eat  
Flex ice water stones as long as begets  
The new joint, escalator piece, we flooded the steps  
Baby blue passports, Hong Kong Task force  
Heard about the murder regime  
Made Ghost style mask for us  
Bitches with tongue rings, fresh out the geisha house  
Did everything to these hoes but never ate them out  
N\*\*\*\*s can't say shit, there's gold in my bank account  
The foul play and the accolades is what my gang about  
The knots, big faces falling out my Gucci Sweats  
Techs, vests, mother fucker I'm daring you to

Yeah, come here, brother  
Have you ever seen red Wallos with a Air Max bubble?  
And the steel that come with the grip, with the beam this color?  
Tomato dot, I cover the ops, if not I'll cut ya  
Forbes got young bitches blowing my cover  
He's the black Tom Selleck, I been dying to fuck ya  
Them Caribbean seminars, he flashy like menopause  
Bet you get hit with the best shot, like Pat Benatar  
The Oscar winning, his collar is knitted with linen  
His Jeans, you could consider it illiterate denim  
Fish tank so big, even the babies could swim in  
Rocking the toddler, 4 finger laced with ridiculous gems in em  
Benjamin's stuck together like boxes of Entemanns  
Been in the Vault since 88, with the tape of Rakim and 'em  
I got that music ear  
I can't leave a chick crib without them trying to keep me as a souvenir

Flex, headed for success  
I just bought a passport, Benny and the Jets
