Ghostface Killah

Tony Stark makes you feel
He's a cool exec' with a heart of steel
As Iron Man, all jets ablaze
He's fighting and smiting with repulsor rays!
Amazing armor! That's Iron Man!
A blazing power! That's Iron Man!

Iron Man, the iron clad superhero of the free world may be doomed to die. Yes, the life of America's most dramatic Avenger may well hinge upon a delicate sub-miniature component, containing the strange secret which keeps his injured heart beating and enables him to live as Tony Stark: one of the nation's leading scientists, head of Tony Stark industries and as Iron Man
