

# Let Me Touch Ya

**Ghostface Killah**

What up boo? I've been missing you  
And you looking good as hell  
Had me out here feening for your body, yo  
But I know you got a new nigga  
Every time I see him he got his face all screwed up  
You better tell him he better fix his face  
'Fore I fix it for him, that's my word on everything

You got a brand-new nigga [?] girl  
I'm the same trap nigga and I bring my strap wherever  
I keep my .45 right beside me, I need a Draco it might trap me  
I shoulda did you right 'cause I know you on foe'

You should let me fuck you  
Let me be the [?]  
Buy you everything you want and me  
Baby, stop missing your blessings  
I know you've been stressing  
Let me show you how shit 'posed to be  
Baby, you should let me fuck you, fuck you, fuck you  
Baby, you should let me fuck you, fuck you, fuck you  
Baby, you should let me—

Yo, matching furs in the cold weather  
Big blankets in the fireplace feel better  
Jewelry shopping, no rules, no options  
You can have whatever you like 'cause we popping  
I know them birds was jealous when I got you  
A few of them birthday feathers I wasn't stable in my love endeavors  
I find myself climbing these mountains like Mount Everest, another love forget it  
We made statements, autographed paintings  
40g bangles, emerald-stone bracelets  
Thank me now baby on some Drake shit  
I'm on your playlist, several niggas is basic (Yeah)  
Hit the dine on the t side  
The peppermint go good with the [?]  
I know you wanna fuck, I can read eyes  
It's hard to sit with this burden in my Levis

You should let me fuck you  
Let me be the [?]  
Buy you everything you want and me  
Baby, stop missing your blessings  
I know you've been stressing  
Let me show you how shit 'posed to be  
Baby, you should let me—

Candlelights, Poconos  
Rose petals in the snow look pretty though  
Abracadabra I popped the question  
Any one of these three stones is your preference  
Back at the cabin, I'm dragging it  
Sheets sweat both of us covered in sweat I'm still stabbing it  
When I'm done the whole world know my name  
One two three four times you K

You should let me fuck you  
Let me be the [?]  
Buy you everything you want and me  
Baby, stop missing your blessings  
I know you've been stressing  
Let me show you how shit 'posed to be  
Baby, you should let me-
