Ghostface Killah

Give me light light light the way light the way  
Give me light give me light  
Give me la la la la la la la la la la give me light give me light  
light light light the way  
Give me la la la la la la la la la give me light

Yeah yo blood clot bust my gun like a rude boy  
No love n hip hop bad attitude boy  
Jamaican clarks sipping Guinness on the hot sand  
Sun splashed I'm on after Elephant Man  
My posse paddle through the Cayman in a small canoe  
Chewing on chew sticks blowing on ganja root  
Fonto leaf Irish moss sour sop big necks  
Catching monk fish spice for the crock pot  
The powder is wrapped looking like baby roadies  
Machine gun mask on looking like a bunch of goalies  
The half a foot dread the whole land call em Toby  
He got a team of red beam that'll lean the police  
Christopher Coke the pistol will smoke gutters  
We out in Kingston grooming the dirt for the butters  
Sharper machetes that slice through the trees for berries -bust  
ing coconuts -Selassie legendary

Give me light light light the way light the way give me light  
give me light  
Give me la la la la la la la la la la give me light give me light  
light light light the way  
Give me la la la la la la la la la give me light

Siddley diddley diddley diddley diddley and truly right no sear  
ch and fiddle  
Siddley diddley diddley and truly first class  
Cold blooded murderer  
Tell em tell em tell em tell em what them really require  
Cold blooded murderer -Wu Tang the definition of a soldier
