Just know I got a cold, I'm coughing everywhere
Shaking, freezing, covers on right now

Word up, just telling me to throw onions and garlic in my socks

Cubaned out, neck looking all beastie
Don't pass me the blunt, I'm cooling, sixteen hundred grams
On his concrete land, it's moving
From here to La Cienaga, I do hood yoga

Stick up kids stay away, Shaolin is far from your Emerald City
Call it Ox Town, trust me, I give you fifty
V necks on a different level
Staple your collar bone, you don't want no bass treble

I'm Don-Don, Daily News, fitted be true blue
I don't gang bang, but my niggas be Su-Wu
It's only a few niggas in the game that I'm true to
She mad I won't fuck her, go wash that poo-poo
Yo, Starks, tell Vel to book more suits
