

The Champ

Ghostface Killah

This guy is a bulldozer with a wrecking ball attached
He'll leave a ring around your eye and tread marks on your back
He's an animal
He's hungry
You ain't been hungry, since "Supreme Clientele"
Remember what you first told me when I took ya in
You wanted to be a fighter (Yeah!)
You wanted to be a killer (New York Stand Up)
You wanted to be the Champ! (Got your boy in the booth nigga)
You ain't hungry
Matter of fact I don't want you in my gym
Get out of my ring, you disgust me

Godzilla bankroll
Stones from Stillion
Yo I ain't got it all, that means I barely home
Trailblazer stay ballin
Revenge is my arts is crafty darts
While y'all stuck on Laffy Taffy
Wonderin' how y'all niggaz get past me
I been doin this before Nas dropped the Nasty
My wallos I did 'em up
Them bricks I send 'em up
My raps y'all bit 'em up
For that now stick 'em up
Ten Four good buddy Tone got is money up
Worth millions still back your bitch lookin bummy what
Ya'll staring at the angel of death
Liar liar pants on fire You burning up like David Koresh
This is architect music
Verbal street opera pop a 'tec man fully got the projects booming indeed
I ran through the tunnel
Terrorize speed
That's when I was still in the jungle slangin that D

Get out my face! No you ain't got no mo?'.
Don't need no has been messin' up my corner
And you better get that mad look off your face for I knock it off
Hey fool you ready for another beating
You should have never came back
Look here man after I crucify him, you next!
And you better have a good doctor to rearrange your face
I'm the Champ!

Who want to battle the Don?
I'm James Bond in the Octagon with two razors
Bet cha'all didn't know I had a fake arm
I lost it, wild and raw before rap, I was gettin' it on
Took a fat nigga out in like 40secs
My gun get hard wit a 45 still erects and eagle on
Kangol hat slanted coconut bounce to Morocco
Guerilla medallions like Flavor Flav clock yo
Niggaz want me dead but they scared to step to me
Rip they guts out like a hysterectomy
When beef collide look on the flip by the penitentiary kite
Or get you bumped off from the inside
Jaws is hanging

Frauds is leftin they draws on the floor complaining
Bird ass nigga resemble Keenon Ivory Waynes
Stay in your place dirt born rappers get Shadow box for training ?
Ya'll still eatin bacon
[Spoken over the beat]
Think nobody can; don't give this nigga no statue give him death
I told y'all I wasn't going away
You had your shot no give me mine
Now why don't you tell these folks why you been ducking me, politics man
You think you going to keep me down
They don't want me to have the title
Because I'm not a puppet like that fool up there
Ask his woman she get more pipe from the plumber than in bed
I'm the Champ!

I like the deuce of diamonds cutting spades on a glass table
Half a mil on my left ankle
Terry cloth Guess shorts robes is comfortable
Bring me a nice bitch that means I'll fuck with you
My swagger is Mick Jaeger stones is rolling
Prestige is cut to it tis ? spark when weed went up
The Cocoa leaf is slightly damp
Sprouting in the backyard next to Gran duke tomato plants
And jets get chartered marquee shit with the cars on it
They head and they earl to the toilet and vomit
Back East summer MC king since Cuban
Pretty Tone Iron Man and Bulletproof and Supreme
Proof and you double deuce in the jeans
My man ? was on the floor with the mother load both of them green
IBF WBC Cruiserweight title shots and Rap belts belong to D.C.

Listen I am bad, I said I am bad
I'm a bad man
I'm so bad sometimes I's scare myself
Sometimes I look in the mirror and want to kiss myself I'm so pretty
Now who am I (The Man!)
Now who am I (The Man!)
Who (The Man!)
That's right and don't y'all forget it
Ladies and gentlemen!
The winner by consecutive knockout and still champion of the worllllllllld!
