Yo, Shaolin's finest, what up Boo, peace, your highness, let's rewind this  
Both get naked and kill the shyness  
Wu Tang's timeless, blow out your sinus  
Sweet talk that ass to the bed, kill em with kindness  
I'm thinking we should fuck again  
Get back to the sucking and  
Freak shit, all on the road we keep trucking in  
Bottle of Rose Double G's on the sneaker  
Let me slide in love, I got respect like Aretha

(Ice cream! Ice cream!)

Watch these rap dudes slide all up in your text  
French, vanilla, butter pecan, we complex  
Even carmel sundaes, they gone flex  
And scooped in the ice cream truck, let's have sex

My tenderoni she was young when I first wet her  
Little niggas from the hood used to upset her

Big wheels and skates now I'm skating on big wheels  
Loving my honey buns and I'm giving em big thrills  
We build and destroy it's different how shit feels  
When the boys turn to men, dick shit get real  
Look at my shorty and get clapped with steel  
Hit with the Jason, these save a hoe niggas is fuck facing  
Lard niggas pure bacon  
Doo Doo Head fed nigga think he down with my click click
