

# Life of the Party

Ghostland Observatory

Everyone wants to be the life of the party  
But no one wants to stay  
And clean up the mess  
What's going to happen when the lights stop shining?  
Who's going to stay --  
And clean up the mess?

I want you  
I need you  
I want you  
Only you

I want you  
I need you  
I love you  
Only you ooo ooo

Everyone wants to be the life of the party  
But no one wants to stay  
And clean up the mess  
What's going to happen when the lights stop shining?  
Who's going to stay --  
And clean up the mess?

I want you  
I need you  
I want you  
Only you

I want you  
I need you  
I love you  
Only you ooo ooo  
Well I really need  
I really need to know  
Yeah I really need  
I really need to know  
Well I really need  
I really need to know  
Yeah I really need  
I really need to know  
I want you  
I really want you  
I -- I need you  
I love you (x3)  
Girl, I do  
I really want you  
Yeah I need you  
I love you (x3)  
Girl, I do  
I'd leave this party for you
