

# Mama

Ghostland Observatory

Ho, mama  
My dear friend  
The time has come  
To leave again

Ho, mama  
I hate to go  
And leave my love  
And leave my home

Ho, mama  
We'll talk soon  
Please stay in touch  
Please stay in too

Ho, mama  
This lonely road  
Can be so dark  
Can be so cold

I  
Feel  
You
