

Sometimes

Ghostland Observatory

Everywhere I go
Everything I see
That sudden hope
We're buying dreams
'Cause sometimes
It ain't about the money
And sometimes
It ain't about the glory
Everything we say
Everything we do
There's a price to pay
When you hide the truth
But sometimes
It ain't about the money
And sometimes

It ain't about the glory
Fools gold
(Fools gold)
Fantasy
(Fantasy, fantasy)
Ice cold
(Ice cold, ice cold)
Reality
'Cause sometimes
It ain't about the money
And sometimes
It ain't about the glory
But sometimes
It ain't about the money
And sometimes
It ain't about the glory
