

## Vibrate

Ghostland Observatory

i said vibrate  
vibrate to feel one  
honey lets gyrate  
gyrate into the sun  
its a hot night,  
too hot to play it cool,  
baby its alright,  
hey isolate your groove,

she goes, ah, she goes, she goes,  
now lets go,  
let go and lose control,  
honey ya you know,  
how the river flows,  
gonna to stand down,  
down into the sound,  
hey baby i'll walk round,  
when you touch the ground,

she goes, ah, she goes, she goes,  
here she goes,  
she goes, ah, she goes, she goes, here she goes
