

Hold The Line!

Ghostpoet

Appointment at the pearly gates
Important shit, I'm always late
But I will, come back to you
Sliding doors, a brother moans
Why won't they leave him alone
And they will, come back for you

Protest!
Hold the line
Hold it
Hold the line
Ho ho ho
Hold the line
Hold it
Hold the line
Ho he her
Hold the line
Hold it
Hold the line
Ho ho ho
Hold the line
Hold it
Hold the line
Ho ho ho

Certain face get so much hate
Visas with expiry dates
But we will, come back to you
Waving flags could get you nicked
Think were all just sick of it
So I will, come back to you

Protest!
Hold the line
Hold it
Hold the line
Ho ho ho
Hold the line
Hold it
Hold the line
Ho ho ho
Hold the line
Hold it
Hold the line
Ho ho ho
Hold the line
Hold it
Hold the line
Ho ho ho

Beaming smiles for crumbs and roof
Many L's like baby teeth
And they won't, come rescue you
Lost my keys and self belief
Found again amongst the sheets
And I will, come back to you

Protest!
Hold the line
Hold it
Hold the line
Ho ho ho
Hold the line
Hold it
Hold the line
Ho ho ho
Hold the line
Hold it
Hold the line
Ho ho ho
Hold the line
Hold it
Hold the line
Ho ho ho
Hold the line
Hold it
Hold the line
Ho ho ho
Hold the line
Hold it
Hold the line
Ho ho ho
