(G)I-DLE

Wanna live my life like yesterday
Never feeling do-o-own
Never feeling do-o-o-own

Woke up in another new day
Something has changed, don't feel the same
Alone hearing voices in my head
Thought that I had it all but it feels like nobody cares, nobody ca-ares
In a Tiffany dress, get off from white ben
Walk the red carpet, balge teojineun flash
Modeun sesangui gwansim sumaneun fans
Geurae sarange baega bureun geoji
Maeil kkumkkudeon saliya
Geurigo kkumi eopseojin saliya
Daeche eolmana daedanhan geol deo gajyeoya
Haengbokalkka gunggeumhan bamiya

Love and fame, it seems to be enough
When the truth is not that beautiful
Tears and pain are things I've never shown
No one knows, no one knows, no one knows
They think I'm okay, think I'm okay

Wanna live my life like yesterday
Never feeling do-o-own
Never feeling do-o-o-own
In the clouds, just stay there everyday
Never coming do-o-own
Never coming do-o-o-own

Life has ups and downs, just realized
Nothing lasts forever, yeah
One day if I fall, would you smile
And say you'll be there for me

I've been lying awake these days
Can't get away, everyone cha-anges
Every time you smile, don't you pretend
Ask myself every night and realize things won't be the same, won't be the same

Love and fame, it seems to be enough
When the truth is not that beautiful
Tears and pain are things I've never shown
No one knows, no one knows, no one knows
That I'm not okay, I'm not okay

Wanna live my life like yesterday
Never feeling do-o-own
Never feeling do-o-o-own
In the clouds, just stay there everyday
Never coming do-o-own
Never coming do-o-o-own

Life has ups and downs, it's alright
Nothing lasts forever, yeah
One day I will fall, can't deny

But I know you won't leave

Wanna live my life like yesterday
Never feeling do-o-own
Never feeling do-o-o-own
In the clouds, just stay there everyday
Never coming do-o-own
