My crew so hot and you are not, I love it when they stare (Uh-huh)  
We pop out lookin' ha-ha-hot, you know (G) I-DLE's here (Uh-huh)

Find me in the islands with these diamonds on my neck

When we drop it down, drop it down low  
Lemme know if you ready  
In five, four, three, two, one, let's go
