Yeah

As if the cold midwinter hit me, yeah
Time freezes
As if the cruel wind left behind
The darkness gets deeper

Get away
The endless season without promise
Erase it
On days when it's not hot
Make a big fire, inside of me

I can't live any more tears
I get mad, get mad even more
To regain the lost spring

The cold wind
My heart covered with white snow
When the morning comes, please make sure it all melts, ooh
Set fire

Fire (burn, burn)
Fire (flowers bloom)
Fire (burn, burn)
Fire (flowers bloom)

I won't leave any traces of you (Yeah yeah)
Even the resentment I can't say is far and wide (Yeah yeah)
Take away the lonely cold
The remaining poems step on the flower path
It will release the cold, enjoy spring again
All memories become fire or fertilizer
Brilliant flowers bloom
I get mad, get mad even more
To regain the lost spring

The cold wind
My heart covered with white snow
When the morning comes, please make sure it all melts, ooh
Set fire

Fire (burn, burn)
Fire (flowers bloom)
Fire (burn, burn)
Fire (flowers bloom)

Holding the regrets of a broken relationship in my arms (holding)
Burning me up in my cold time
Flower
Flower
Set fire

Flowers bloom
