

# LATATA

(G)I-DLE

Ay, yo, you know what, I'm waiting for ya, I only want ya  
They say I'm loca, but hey whatever, I only want ya  
Running the red light, moving the left right, we goin' all night  
I'll take you higher, set it on fire, you're my desire

Uh-oh, what do you got to lose, keep it going baby  
Falling down, you and I, we can get caught up in the moment  
You like that? Go, go, burn until there's nothing left  
'Cause I don't care about tomorrow, no

(I love ya!) There ain't nothing I won't do for you, fall with me, Lata  
(I love ya!) Dance the night away with me, let me sing for you, Lata  
(I love ya!) Latata latata latata latata latata latata  
Sing for me until you're burnt in my memory, Lata (I love ya!)

I love ya  
Every day, every night Latata  
I love ya  
Every day, every night Latata

Don't be lazy, come over baby  
I'm only getting started, time is of the essence  
I'll open up, you can go a little deeper  
Dig it up and you can keep goin' 'til you're dizzy  
Tear it up, tear it up, singing latata  
They don't know what to say, goin' dot dot dot (dot dot)  
Ready or not, we making it hot  
The jealousy feels good to me, mwah-mwah-mwah

Uh-oh, how far do you wanna go with me?  
Keep on movin' 'til the sunrise and we can get crazy  
You like that? Go, go, burn until there's nothing left  
'Cause I don't care about tomorrow, no

(I love ya!) There ain't nothing I won't do for you, fall with me, Lata  
(I love ya!) Dance the night away with me, let me sing for you, Lata  
(I love ya!) Latata latata latata latata latata latata  
Sing for me until you're burnt in my memory, Lata (I love ya!)

I love ya  
Every day, every night Latata
