I love ya
Every day every night latata

With you like this on a long night
With you during this long time
In the darkness, there's a red light
My eyes go left right, walking on the light
The starting point is coming near, what's there to be scared about?

Uh oh, how much deeper can it get?
The addicting scents get mixed together
So we can burn it up even more
There's no tomorrow

I love ya
I'm singing for you, so you can fall deeper, Lata
I love ya
I'm dancing for you, so I can trap you inside me, Lata
I love ya
Latata latata latata latata
Latata latata latata latata
Sing for me, so I'll never forget you, Lata
I love ya

I love ya
Every day every night latata
I love ya
Every day every night latata

Don't be lazy, come to me baby
Time is too short, this is still too basic
Go in deeper, swallow me up
You can get drunk, tomorrow doesn't matter

This flashy dance is latata
I'm gonna burn it all up
It's not hard, everyone's jealous of you
Nice, let's burn this night up
Muah muah muah

Uh oh, how much naughtier are we gonna get?
Til the night turns to morning, we'll get even crazier
So we can burn it up even more
There's no tomorrow

I love ya
I'm singing for you, so you can fall deeper, Lata
I love ya
I'm dancing for you, so I can trap you inside me, Lata
I love ya

Latata latata latata latata
Latata latata latata latata
Sing for me, so I'll never forget you, Lata
