Just thick cigarette smoke
Dum, dum, du-du-du dum
Still a lot (Uh)
Much more (No)
I just pray for your fall
Dum, dum, du-du-du dum

You need damage, I'll destroy it
Until that smile is cruelly crumpled
Let's run further to hell

Like a magnet, I'm looking for you again
Until it is destroyed (Ready to burn)

Ooh, woah
Last Easter night
From that day on, I
Held myself in the darkness
Oh, oh, oh-oh, oh
Oh, oh, oh-oh, oh
Oh, oh, oh-oh, oh
I got the revenge

It's a meaningless joy in that kind of life
A price worth struggling for
The reason why I can't give up is
Your pain is the only medicine for this scar
Even if I break down, if you break down too
There's nothing we can do about that
A terrible scene that shows that it is probably my future
That's also a no-brainer

You need damage, I'll destroy it
You need damage, I'll destroy it
Until that smile is cruelly crumpled
Let's run further to hell
Like a magnet, I'm looking for you again
Until it is destroyed (Ready to burn)
