

# Tall Trees

(G)I-DLE

Branches exploding  
My leaves are golden stars, ah  
Birds love to breeze by  
Dogs come to see my bark, hmm-ah

My expectations stay on low  
But you're the sun, you make them grow  
If there's an axe behind your back, just let me know

'Cause tall trees fall hard, hard, hard, hard, ooh  
Tall trees fall hard, hard, hard, hard, ooh  
Tall trees fall hard, hard, hard, hard, ooh  
Tall trees fall hard  
So don't you break my

My trunk is filled with stuff for a picnic cart, hmm-ah  
Flowers and grasses  
Careful with ashes, oh

My expectations stay on low  
But you're the sun, you make them grow  
If there's an axe behind your back, just let me know

'Cause tall trees fall hard, hard, hard, hard, ooh  
Tall trees fall hard, hard, hard, hard, ooh  
Tall trees fall hard, hard, hard, hard, ooh  
Tall trees fall hard  
So don't you break my

Don't you break my  
Heart  
Don't you break my heart  
Heart, heart

'Cause tall trees fall hard, hard, hard, hard, ooh (Tall trees  
fall hard)  
Tall trees fall hard, hard, hard, hard, ooh (Tall trees fall ha  
rd, hard)  
Tall trees fall hard, hard, hard, hard, ooh (Tall trees fall ha  
rd, fall hard)  
Tall trees fall hard  
So don't you break my (Fall hard, don't you break my)
